Heavy Equipment – Ready to Ship

Looking for bulldozers, cranes, tankers, ambulances, or forklifts?

Afrik Appro supplies a wide range of new and used heavy equipment, carefully sourced and prepared for immediate delivery to West and Central Africa. Each new unit can be commissioned by an expert, ensuring reliable performance from day one. With a strong international supplier network and logistics experience across the continent, we're your trusted partner for industrial machinery – whether it's a single unit or a full fleet.

Meet us in Paris – August 2025

From August 1st to 6th, the Afrik Appro leadership team will be in Paris to connect with clients and partners.

Whether you're already working with us or looking for a reliable sourcing and logistics partner in Africa, we'd love to meet and discuss your upcoming projects, challenges, and how we can support your operations. Interested in a one-on-one meeting? Contact us to schedule a time: info@afrikappro.com, Whatsapp 0682006644, call 0633529243

Let's build strong partnerships – from Paris to Africa.

Afrik Appro visits HIFI FILTER

Earlier this month, our team travelled to Pontarlier, France, to visit the headquarters and logistics base of HIFI FILTER®, Europe's leading filtration specialist.

With several thousand items available in stock, HIFI FILTER®'s high-performance logistics platform enables Afrik Appro to respond rapidly to our clients' filtration needs – from oil & gas to mining, transport, and industrial operations.

As an official distributor in the region, Afrik Appro offers: Priority access to stocked HIFI FILTER® products, short lead times and optimized sourcing & expert technical support on all filter applications.

This partnership allows us to combine international logistics power with local expertise, to the benefit of our African clients.
